

The University of
Texas at Austin

Our Mission

SHPE changes lives by empowering the Hispanic community to realize its fullest potential and to impact the world through STEM awareness, access, support, and development.

Our Vision

SHPE's vision is a world where Hispanics are highly valued and influential as the leading innovators, scientists, mathematicians, and engineers.

Chapter Awards

★ **2024 Most Outstanding Organization on Campus**

Selected from over 1,000 student organizations for outstanding impact on UT Austin's campus and alignment with the university's core values.

(230+ members)

Corporate Events

Corporate events are 60-90 minute sessions led by industry partners to prepare members with the professional and technical skills for recruiting.

Common topics include resume preparation, behavioral and technical interview preparation, and elevator pitches.

We reserve the right to decline any reserved dates which fall after the 2026 - 2027 academic year. For any additional questions or concerns, contact our professional development committee at utshpe@gmail.com.

National Convention

The annual convention is one of the largest STEM diversity conferences, bringing together +10,000 students, professionals, and leading fortune 500 companies. For many of our members, this is the most impactful recruiting event of the year. At UT SHPE, a significant portion of our funding is dedicated to fund members to attend.

Impact of Your Sponsorship:

- 50 students selected for full and partial sponsorship. funding supports registration, lodging, and flights
- Increase member attendance from 25% -> 30%
- About ~45% of members have received an internship or full time from attending a national convention

SHPEtinias

Professional Events

- Region 5 SHPEtinias conference host with 80+ attendees from 5+ chapters
- Workshop Topics: Building confidence in male-dominated spaces, negotiating, advocating for yourself, etc.
- Average Attendance: 25-40 students

Other Opportunities

Intramural Shirts

Our Intramural (IM) shirts unite SHPE members on and off the field, with around 115 members participating in sports like soccer, flag football, volleyball, and softball, as well as regional events like the Lonestar Showdown.

Corporate partners can sponsor IM shirts and feature their logo to be worn throughout the season, supporting a community built on teamwork.

Technical Workshops

Representatives create and host development workshops that teach relevant industry skills to our members.

Popular workshop ideas: CAD modeling, software algorithms, host and sponsor design competitions, detailed analysis of company projects, and arduino projects.

Average attendance: 15-30 students

UT STEM Girl Day

UT STEM Girl Day is a large K–12 outreach event reaching 12,000+ students and 20,000 attendees annually. At our booth, we engage 450–500 students with hands-on, take-home activities that extend learning.

With sponsor support, we aim to enhance these experiences while providing inclusive, bilingual (English/Spanish) instruction to inspire a diverse pipeline of future engineers.
